Ben and Curtis – here is a draft acknowledgement ltr for Karl per his request below - comments or suggestions?

Thank you for your letter dated January 4, 2014, commenting on Republic Service's October 20, 2014 report, "Isolation Barrier Alternatives Analysis West Lake Landfill Superfund Site." EPA Region 7 will consider your comments as we make our decisions on the barrier and during this Agency's ongoing efforts to address potential risks posed by the site. EPA Region 7 is committed to ensuring the public is protected from the radioactive contaminants at the West Lake Landfill Superfund Site. The Agency bases its decisions on valid, scientific data, which we share with the community. I encourage you to visit our West Lake Landfill Superfund Site website for our frequent communications regarding our activities at the site. (add link to website).
